Message from our Club President and Vice President

WELCOME

The International Cricket Council's mission statement talks of "building bridges between continents, countries and communities" which points to the principal reason for the growing popularity of cricket. It is the sport's unique ability to bring people together, no matter where they come from, or what their background, that makes it so captivating.

We need look no further than our own Sarasota club to see the truth of this. Since 1993 the club's Thanksgiving Six-a-Side Festival has been graced by teams from Australia, Bermuda, Canada, the Cayman Islands, Israel, Mexico, the Netherlands, the United Kingdom and many parts of the United States.

Sarasota has made reciprocal visits to many of these teams. The club has toured to Canada, the Bahamas, England, Guyana, Mexico, Scotland, Trinidad, South Africa and St Vincent. In the United States we have played out of state in Atlanta, Columbus, Philadelphia, Houston and San Francisco.

This would not have happened if cricket wasn't more than just a game. Meeting new people, making friends, renewing old friendships is more important than what happens on the field.

So welcome, especially if you are watching cricket for the first time. You are joining a worldwide community. Welcome to our returning competitors from the Cayman Islands, Swansea University and the Caribbean. Thank you to everyone for coming. Enjoy the Sarasota Sixes, on and off the field. And playing or watching, keep your eye on the ball!

Sarasota Six-a-Side Festival 2022
Playing Teams

Carribean Limers
Captain: **Burt Sookram**
Age: Too many
Playing: Right Arm bat and unorthodox bowling

I was born in Trinidad. I started playing cricket at the age of 8 years. At that time, the only position available was wicketkeeping if I wanted to play with the older players. I moved to Canada in 1974 to further my education and played cricket in Toronto, Canada. My team went to the Ontario finals 3 years consecutively and twice we made it to the Canadian final. In 1984 we moved to Seattle, WA, where I played there for 3 years as a wicketkeeper and opening batsman. We finally moved to Tampa, FL, in 1988. I played for 1.5 years until which time my wife stopped my playing career. It was not until 2014 when I resumed playing cricket. Because of sore knees, I decided to try bowling and on the odd opportunity, I get to show my skills. We started "Caribbean Limers" in 2019 to play both tennis ball and hard ball cricket games.

Greenies I
Captain: **Paul Manning**

Is the Greenies' first team captain, who had previously lifted the Sarasota Festival trophy in 2018. Paul is the quiet, thoughtful member of the Greenies' touring party. You will probably not see him out partying with the rest of the squad. More likely, Paul will be taking romantic walks on the beach his life partner, Demar.

Greenies II
Captain: **Matthew Tex Walker**

Tex has been named as captain of the Greenies II, but he will probably not make the team. Tex is more likely to be seen lying at the side of Parry Field in a festering heap, recovering from the previous evening.

Evergreenies
Captain: **Dave McGrath**

At age 54, Dave represents the youth policy of the Evergreenies given that the squad has 2 members either in or approaching their 70's. A veteran of 18 Sarasota festivals, he has moved more into management than a playing role, although it is possible that he may be seen on the field once or twice over the Thanksgiving weekend.

Swansea Men
Captain: **Kieran Grey**
Age: 22
Playing: Wicketkeeper and Right Hand Bat

I'm currently in my 3rd year of university studying Economics and Business. When I graduate, I hope to pursue a career in investment banking. I am originally from Maidenhead, which is located in the South West of England. During the cricket season, I represent my local club Maidenhead & Bray C.C., who play in the Thames Valley League. I have been playing at my Club since the age of 8. I'm very grateful for this opportunity and I am looking forward to playing at SICC and representing Swansea University C.C. as captain of an incredible Club run by students for the benefit of students, no matter what their level of ability.

Swansea Women

Captain: **Grace Cornford**
Age: 21
Playing: Right Arm Bowler & Bat

I'm currently in my last year of university studying Sport and Exercise Science. When I graduate, I hope to pursue a career in the Strength and Conditioning industry. I am originally from Somerset, which is where I first started playing cricket in school and have loved it ever since. During the cricket season, I am a member of my local club, Taunton Deane C.C., who play in the Devon Women's League Division 1. Unfortunately, due to University and work commitments I have been limited to representing the University Cricket Club for the past 2 years. Prior to University I was fortunate to have the opportunity to travel to India; to play in a cricket tournament hosted by a cricket organization in Mumbai. This was an amazing experience and I am very much looking forward to playing at SICC in Florida now too!

SICC Marlins
Captain: **Suresh A.M.**

I started playing at SICC in 2014. I came to play a single game against SICC and fell in love with the friendly atmosphere, yummy food, and great cricket. I relocated to Sarasota to be closer to the cricket ground. I enjoy every aspect of SICC!

SICC Dolphins
Captain: **Salil Singh**

I grew up playing the sport in New Delhi and I'm thrilled to be enjoying a cricketing renaissance in the company of passionate and dedicated fellow members of SICC. I'm deeply grateful for the community and the camaraderie that comes from the love of the sport and tips his cricketing hat at the founders who had the vision to establish such a lovely place for the sport to thrive in this corner of the world.
